Hospitality

The hospitality room will be open tonight after the open events, around 10:00 p.m. It is located in Room 1157. The I-N hospitality room is 1200. Drinks & snacks will be served.

<u>Partnership Desks</u> Open & Intermediate-Newcomers (I-N)

Louise McNeely is in charge of the partnership desk this year. Be sure to register with Louise if you need a partner. Lorna Johnson is the I-N Chair. She can often be found in the playing area. Otherwise, speak to anyone with a badge indicating a tournament committee member with any problems or questions. The partnership desk will be open for approximately one hour before each and every session.

One of the biggest problems these volunteers experience is the failure by some players to cancel a previous request for a partner after having found a partner on their own. **Please be considerate.** Let the Partnership Desk know that you have found a partner. Your cooperation and understanding will be much appreciated by these hard working volunteers.

Missing Results from Thursday

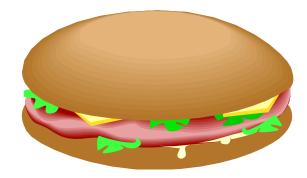

Some of the results from the **Senior Pairs** on Thursday were not included in yesterday's bulletin. Our apologies. Results for both sections at 10:00 am and 3:00 pm, as well as the overall results, are given later in this bulletin.

Sunday Swiss Teams – Advanced Notice

Local players can now be home in time for Easter dinner. Well, maybe a somewhat late Easter dinner.

Lunch Options on Sunday

There will be a short break after the fourth match, around 2:00 pm. All the hotel restaurants will be open but you won't have time to go in for a sit-down meal. The snack cart located in the International Plaza across from the pool tournament will NOT be open on Sunday. Your options are:

- Takeout at the Orchid Café located in the hotel
- Harvey's, Tim Horton's or Subway all of which are located across Dixon Road in the plaza just to the East of the hotel. A very short walk. They have all been advised to expect an influx of hungry people around 2:00 pm. Let's hope they are adequately staffed.

New Life Masters/First Time Regional Winners

We will be delighted to include pictures of players who fall into one of these categories. Please let your achievement be known to the Registration Desk or the Daily Bulletin Editor, Jerry Smee. Our cameras are ready and waiting!

New LMs reporting in yesterday were **Ratna Omidvar** and **Robert Brown**. The points they won in KO 3 put them over the top. Congratulations and well done.

ATTENTION: I-N Players

Guest speaker <u>John Rayner</u> teacher, bridge club owner, director, top player and raconteur extraordinaire, will be giving a short seminar suitable for I/N players on Saturday April 11th at 6:00 in the Windsor Room on the playing level. His topic will be "**The Opening Lead**", sometimes a difficult problem even for the most experienced players. Come and learn how to improve your opening leads.

What Newcomers Should Know About the Laws and the Game Director – What is a Minor Penalty Card?

(This series of articles by Mike Flader is taken from "The Bridge Teacher" August 2008 edition. Ed.)

Many players think that declarer has a penalty card when he revokes and then makes a legal correction. Our Laws clearly state that "no card of declarer's or dummy's hand ever becomes a penalty card".

Any card from a <u>defender's hand</u> that is prematurely exposed does become a penalty card. But there is a difference in penalty cards. Some are "Major" and some are "Minor".

If the card prematurely exposed is one that was

accidentally exposed (as in when sorting one's hand, for example) and below the rank of an honour, it is designated by the Director as a Minor Penalty Card. There is almost no penalty for having a minor penalty card. It does not have to be played at the first legal opportunity. Nor will the partner of a player with a minor penalty card be subject to a lead penalty. The only limitation on the offender is that he may not play any other card below the rank of an honour in the suit until the minor penalty card has been played. For example, if the suit is led by another player, the offender may play an honour card if he so wishes. He is not obligated to play the minor penalty card.

Many players who have been playing for years do not recognize this difference, probably because the minor penalty card did not become part of the Laws until 1997.

He said. She said. Sally Rewbotham

The other day I asked for your feedback. Bright pink evaluation forms were distributed around the room at random and you've been submitting them ever since. Here's a sample of comments made:

"Stop this location. Return to downtown." "This location is so remote that few, if any, international players will come".

"Continue the games here. The location is great".

Very positive, this is a much better location" (These comments were certainly the norm)

"Change the schedule so there are compact Kos starting every day."

"Stop catering to complainers. This is a very good venue and change."

"The hotel needs to hire more staff for the restaurant."

"Rooms/Elevators are a long way off!"

"We like the start times"

"Change the start times to 9:00, 1:00 and 7:00".

"Parking and room rates are all reasonable. There's lots of room to play and easy access to restaurants.

The area's not so hot but I guess compromises must be made."

"Lectures would be better if offered before the 1:30 game so that we have more time at dinner."

"I'm walking too much!"

"Temperature control has been an issue."

"Pre-duplicate the boards."

"Public transit access is an issue."

...... and, finally, the coffee issue comments ranged from "Stop serving it!" to "Cut the price, it's too expensive."

(For those who want the facts, just the facts, thank you Ma'am, today we spent \$1500 + tax buying coffee and took in \$500. The discrepancy isn't because your fellow players didn't pay, it's because the cups are so large. Will we continue to subsidize the coffee to this extent? stay tuned!!!).

John Rayner's Variety Show

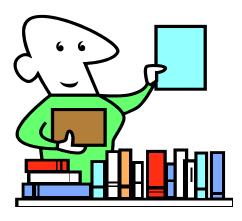

The show featuring "bridge songs" by **Andy Stark**, **Jim LeFrancois**, **John Fraser**, **Pamela Nisbet**, and of course **John** (now we know he can't sing!) was a great hit, as usual. The stand-up comedy routine of John had the audience in stitches. Thanks to John and all those who had a part in producing and putting on the show. It was much appreciated. Below are a few pictures to give you the "flavor" of the show.

Bridge Books & Supplies

Vince Oddy is the official supplier of bridge supplies to Unit 166. Vince has a large selection of new, used and half-price books and magazines like Bridge World on display at his stand on the Convention Floor. This tournament Vince will be offering a \$5 book special with a new book every day of the Regional. When you return home, visit his web site at www.vinceoddy.com for monthly specials.
